

Pertinent Paragraphs

Do we need a Chamber of Commerce? Shall we answer the question by the reaction of one oldtimer who, after listening to a lecture on alcoholism, clearly stated that the speaker was absolutely right, that there was no need for alcohol as long as we had our good beer and whiskey.

We do have other organizations who seem to take the place of the Chamber of Commerce, but there is only one organization everybody can and should join and that is the Chamber of Commerce. We are here referring only to organizations with objectives similar to those of the Chamber of Commerce.

If you are interested, primarily, in the growth and welfare of Lemon Grove, it is your duty to join the Lemon Grove Chamber of Commerce. Just mail your check for one year's membership to the secretary or president and attend the meetings as often as you can.

If you are a property owner in Lemon Grove it would be false economy not to send in your membership fee. It would be just the same as refusing to pay the county taxes on your property. The Chamber of Commerce is a responsible, influential semi-official body. Your ability to pay your taxes depends to a large extent on decisions reached at Chamber of Commerce meetings. The value of your property can be increased or decreased by the right or wrong judgement of the men who compose your Chamber of Commerce.

If you are not a property owner in Lemon Grove, but you live or work in Lemon Grove, and you feel that you are interested in Lemon Grove, more than in any other community, you should send your membership fee to the secretary and attend the meetings of the Chamber of Commerce.

We agree that your opinion is worth just as much as the above

Your Attendance Urged for C of C Meeting April 11

All those interested in a Better Lemon Grove are asked to attend the first meeting of the Chamber of Commerce which will be held at the Forward Club, Olive Avenue, on Monday, April 11, at 8:00 p.m.

Since this is the first meeting to be called by President Haaf in 1949, and since there are some very important matters to be considered, all are urged to make every effort to be present.

The following items are on the agenda:

(1) Projects to be undertaken in 1949.

(2) The Community Center — program of construction, maintenance, and supervision. Mr. Parks of the County Engineering office will be present to assist in the discussion.

(3) Shall we hold frequent meetings of the membership?

President Haaf suggests that everybody bring friends, who may be interested in the Community Center.

At any rate come prepared to discuss these matters fully and help make some definite decisions for a better Lemon Grove.

statements. Here is your chance to express your opinion. Let us read what you think is good for the welfare of Lemon Grove.

Make Sure That You Are Listed in the New Business Directory

Do not wait for anybody to call on you. If your phone is used for business or community welfare work in Lemon Grove, get in touch with the secretary or president or any member of the Directory Committee of the Lemon Grove Business Men's Association and see that you are properly listed in the new Business Directory. This is the advice given at the last meeting of the Business Men's Association.

If you have no phone to list, be sure to attend the breakfast meeting of the Association next Tuesday morning when the telephone situation in Lemon Grove will be discussed.

The April meeting of the Lemon Grove Coordinating Council met at the C. F. Baxter home on Buena Vista Street Monday evening, with 16 organizations represented.

New representatives were present from several groups. Antonio Mercurio came for the new Vista La Mesa P.T.A.; A Boese attended for the Business Men's Association; St. John of the Cross Church sent Mrs. Boltz; the Vista La Mesa Civic League was represented by Edward Kinyon.

Mrs. Tomas also represented Kenneth Beam, county coordinating council director, who had been injured and was unable to attend.

The fund to assist Girl Scout Day Camp with transportation expenses is reported to be growing satisfactorily.

Plans were discussed for the community picnic and also an amateur show.

Lions Ladies' Night Attracts Record Group

With more than 120 present, the second Lions Club Ladies' Night, held Thursday at the Forward Club House, will be entered into the minutes of the young local club as a truly successful affair.

President Andy Benson opened the meeting at 7:00 p.m., with a greeting to the ladies, members and guests. Invocation by Arthur Boese was followed by a fried chicken dinner cooked by the Ladies Auxiliary of the local V. F. W. Post.

After the dinner, Mr. Frank O'Connor, chairman of the Ladies Night committee was introduced. He then introduced his committee consisting of Andy Skaggs, Al Heusch, C. F. Baxter and Noble Herricks. Mr. O'Connor then introduced John A. Van Gilse, who served as master of ceremonies for the remainder of the evening.

The program consisted of Mr. Arthur Chappelle and his accordion, who presented three numbers and then played three numbers for a lively community sing. Following Chappelle's numbers, Van Gilse introduced petite 9 year old Linda Lou Taylor who gave two dance numbers, a song and tap and later a ballet tap dance.

Little Miss Taylor's numbers were followed by Mrs. Walter Boelter of Monterey Heights, who sang three numbers for the group. Mrs. Boelter was accompanied by Mrs. J. W. Fischer.

The next number was a magician act presented by Mr. Urbin Crispin.

The speaker of the evening, Miss Virginia Tolson, completed the program with an interesting talk on her experiences as an exchange teacher in Worthing-Sussex area of England.

just one year ago, April 8, 1948, and has grown steadily.

Nineteen women were present Thursday noon to listen to annual reports. The president, secretary and vice president made modest reports of their achievements and the treasurer gave the amounts of money the organization handled. It was interesting to note that the group had total receipts of \$644.85, and had paid out \$525.14 during that time.

A total of \$60.00 was turned in to the beautification fund and an small balance remains in the fund. \$59.02 was collected for welfare and over \$21.00 is left in that fund.

The Business Women entertained the County Federation in November, and sponsored beach parties and picnics. They assisted with community projects such as the Christmas party; they were enthusiastic boosters of the Coordinating Council; they gave a card party for welfare funds, and held some nice luncheon meetings at Coronado and the El Morocco. Dorothy Van Gilse, as social chairman, was given much credit for the success of the organization.

The annual election of officers was on the agenda, and the result of the election made few changes in personnel. Mrs. Burt Snyder is to serve another year as president; Mrs. J. A. Van Gilse is the new vice president; Mrs. Art Chappelle will continue as secretary and Mrs. Jack Sanders will remain as treasurer. Mrs. John Hill will again act as corresponding secretary.

Plans were made for conducting installation ceremonies April 27, at Ernie's Rancho, beginning with a dinner at 7:00 p.m.

There will be no meeting April 21.

LOCAL ANGLER GETS FIRST YELLOWTAIL

Starting the season in a blaze of glory, Rudy Rubacaba, local fisherman, caught the first and largest yellowtail on opening day last Saturday. Rudy's fish won the boat "jack pot" and weighed a mere 30 pounds. The fish was caught at the Coronado Islands, Mexico.

Rudy derived a great deal of satisfaction in showing the big catch to such "Yellowtail Derby veterans" as W. L. MacQueen of the Avalon Cafe and E. H. Anderson, oil distributor, who had ducked the opening day of live bait fishing because they firmly believed it much too early to catch Yellowtail.

Just to show local anglers that derby men really do catch fish, W. L. MacQueen and E. H. Anderson boarded the Mascot, sportfishing boat, on Tuesday and proceeded to establish some

NEW DRUGGIST TO RESIDE IN LEMON GROVE

Mr. Sexton announced this week that he has sold his Lemon Grove Pharmacy to Mr. J. B. Sawyer, formerly of San Jacinto, California. Mr. and Mrs. Sawyer have taken up residence at 4157 James Street, Vista La Mesa.

Residents of Lemon Grove are extending a hearty welcome to Mr. and Mrs. Sawyer. Their selection of Lemon Grove for their future residence is appreciated by all, from a professional, business and social standpoint.

Mr. Sawyer will retain the present staff. He will continue the pharmacy under the name of Sawyer's Lemon Grove Pharmacy.

Mr. Sawyer is a former Navy man and a graduate of Cornell University.

sort of an early season record when MacQueen caught and landed three large yellowtail, with Andy Anderson coming through with a single fish. Anderson's fish was the largest of the four, weighing close to 25 pounds.

According to sportfishing authorities, this year's run of yellowtail arrived many weeks earlier than usual, which has certainly gladdened the hearts of deep sea fishing addicts.

Mr. Harry S. Slaughter of Yankton, S. D., who is visiting here with his sister and brother-in-law, Mr. and Mrs. Bob Lindley, caught a 26 lb. yellowtail on Thursday.

Mr. Robert Eckhart of Vista St. has recently organized Eckhart's Studio at 309 Park Plaza Bldg. in San Diego, in which he teaches commercial and advertising art.

Last week there was an art exhibit sponsored by the association of San Diego Advertising Artists and the San Diego Ad and Sales Club. At this exhibit Eckhart's Studio won three first awards, which speaks very well for Mr. Eckhart's success with students of commercial and advertising art.

Mr. Eckhart and his family own their own home on Vista Street.

Miss Amelia Ritchie Passes Away at 95

Miss Amelia Ritchie passed away at a hospital in San Diego Thursday March 31, at the age of 95 years.

Miss Ritchie was a native of Ohio but spent most of her life in Wisconsin.

She became a graduate nurse in Illinois and served the greater part of her nursing career as superintendent of a hospital in Neenah, Wisconsin. She served as a nurse during the Spanish American War.

As a child she recalled sitting on a fence and calling out to other children passing by, "Vote for Mr. Lincoln for president!" She remembered when Harry Truman was born and knew his people slightly, as she was in Missouri at that time.

Miss Ritchie retired from nursing at the age of 65 and moved to California, where she became very active in Congregational Church work in North Hollywood, aiding with children of migratory workers. Her pastor, Rev. Alan Hunter, came here from Los Angeles to conduct funeral services Monday at Greenwood Cemetery.

She entered the Ray Rest Home on Palm Avenue last November. On Lincoln's Birthday she fell, fracturing her hip, and had been hospitalized since then.

Her niece Mrs. Emily Morse of Palm Avenue, and two nephews, Donald Ritchie of Palm Avenue, and Paul Ritchie of San Diego are survivors; besides two nieces, Miss Anne Crane and Mrs. F. W. Starr of Los Angeles, who came to San Diego to attend the funeral.

Miss Ritchie made many friends here and was a very interesting personage, keeping a very keen mind to the last of her 95 years.
